Re MUR 6019

Dear Mr Jordan,

This will acknowledge receipt of your letter dated June 5, 2008 detailing the complaint filed by Nancy Smith of Sunnyvale. I have also received a copy of the letter from Mr Caserta in response to this same matter.

I would like to offer the following facts for your consideration in making your determination of how to proceed:

I am a resident of Mountain View California

I was a precinct captain for the Barack Obama For President campaign in my home precinct during the California primary in February 2008

I am still a campaign volunteer for the Barack Obama campaign

Dominic Caserta of Santa Clara, CA was a candidate for the California State Assembly in the June 2008 Primary Election

I was a volunteer for the Dominic Caserta for Assembly Campaign

I am a former locally elected official, and endorsed Mr Caserta's candidacy

I offered the Caserta Campaign my name for use in his campaign

The Caserta campaign created numerous pieces of campaign literature, including the subject of this complaint

I was not involved in the creation, development or distribution of any Caserta campaign literature, including the subject mailing

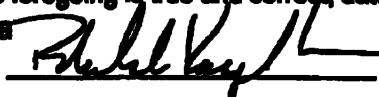

I was not advised in advance of the mailing of the content of the piece nor was I given the opportunity to approve or disapprove of the content. I did not authorize the creation and distribution of the subject mailing

29044233580

I had no prior knowledge of the particular mailing until I received a copy of the piece in my mailbox. I therefore could have had no intent whatsoever to act on behalf of, or as a representative of the Barack Obama Campaign.

I have no materials regarding the mailing in my possession.

I declare under penalty of perjury that the foregoing is true and correct, dated June 9, 2008 at Mountain View, California.

I believe the facts as laid out above will justify a finding that this matter should be dismissed without further action. I also request that the matter remain confidential pursuant to federal law.

Please do not hesitate to contact me if I can be of further assistance.

Sincerely,

R. Michael Kaspezak, Jr.
